"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

MARCH 19, 1982

WORLD SHOWCASE BRINGS COMMUNITY OF NATIONS TO LIFE

Circling the waters of the World Showcase Lagoon, you now find the makings of nine truly unique buildings, which beginning October 1, 1982, create a new world within Epcot Center. This week, the **EYES & EARS** brings you a capsulized view of these nine pavilions and what they'll offer.

CANADA

You'll travel from a Northwest Indian Village to a 19th-century French chateau and through the winding, narrow streets of Quebec City in the Canada pavilion. A Circle-vision 360 presentation entitled "O Canada" captures the many aspects of Canada's vast wilderness — North America's greatest frontier. If you've come here with an appetite, you can taste the country's fare at Le Cellier, a buffeteria-style restaurant seating 175. If it's Canadian treasures that intrigue you, then visit the Trading Post, a 1,200-square-foot store offering decorative gifts brought to WDW "by Indians, Eskimos, and trappers."

UNITED KINGDOM

We've created a typically British setting — green lawns, gabled rooftops, rows of shops along cobblestone streets, and a quaint waterside pub — for the United Kingdom pavilion. In total, our "U.K." will house six shops selling everything from toys, tobacco, and, tea to kilts, china, and bakery delights. All this shopping could make you hungry, so stop by the Rose and Crown for a traditional steak and kidney pie. This restaurant can accommodate 100 in a sitting. Mean-

while, inside the Pub Room, you can choose from over 50 varieties of bottled ale and beer and compete in a friendly game of darts.

FRANCE

The France pavilion, complete with the Eiffel Tower, lends an air of turn-of-the-century Paris to its visitors. Once inside, you'll discover four small shops — one gourmet, one wine, a book and art store, and an accessories shop. At the Patisserie-Boulangerie, you can taste the bakery treats France is renowned for; more hearty appetites might venture to Au Petit Cafe, a sidewalk cafe seating 45, or Le Chefs de France, serving French Provincial cuisine.

JAPAN

Gateways, pagodas, and beautiful gardens greet visitors at the Japan pavilion as feudal castle towers loom in the background, leaving no doubt that you are in the Orient. The pavilion's design includes a department store covering almost 8,000 square feet of shopping area where you'll discover a large assortment of traditionally Japanese merchandise. If you're craving Japanese cuisine, then you're in luck. Seated inside the Mitsukoshi Restaurant, you'll experience a Japanese cooking and eating extravaganza like no other, or try the Teniko, a tiny restaurant offering tempura-battered seafood and vegetables. A fast food establishment will complete Japan's eating repertoire, serving skewered Oriental specialties.

AMERICAN ADVENTURE

With Ben Franklin and Mark Twain as your guides, you'll see more than 350 years of America's history and look toward our future — in just one short visit to this pavilion. American Adventure, presented by American Express and Coca-Cola, will include one restaurant, the Liberty Inn, serving what-else but good old, American hamburgers and hot dogs, fastfood style.

ITALY

At this pavilion, a Venetian canal guides you to Saint Mark's square, and artwork replicas symbolize the vast contributions that Italy has provided the world for centuries. Another replica, this one of Doges Palace, includes three stores filled with fine art, jewelry, and crystal and a sit-down restaurant operated by Alfredo, The Original of Rome, where you'll feast on a variety of pasta, chicken, and veal. Adjacent to the restaurant's entrance, visitors will observe chefs making the noodles served in the restaurant from specially produced butter.

GERMANY

We'll celebrate Oktoberfest year-round at the Bavarian Biergarten and gaze at cuckoo clocks, porcelain dolls, and hand-carved music boxes in the Germany pavilion. Featuring replicas of this country's world renowned sculpture, the pavilion will include seven shops altogether. A variety of Germany sausages, smoked pork, and sauerbraten are yours for the asking at the 350-seat Biergarten, where traditional toasts, yodels and Alp horns abound.

CHINA

When the Disney film crew visited the People's Republic of China recently, it was the first time in more than 30 years that a western film-making unit was allowed into the country. On opening day, the China pavilion will feature this show, uncovering some of the mysteries of China's many centuries, on a 360-degree theatre.

MEXICO

Beyond a towering Mayan pyramid, you'll enter a pueblo village complete with a "live" volcano spewing lava in the distance. A boat-ride through Mexico's colorful past emphasizes the cultures and con-

tributions of her early civilizations. At this pavilion, you'll have a choice of two different restaurants; the San Angel Inn, offering table service and a variety of authentic Mexican dishes; or the Cantina de San Angel, where you can get a quick treat of tacos and burritos. Browsing through Mexico's two shops, you can purchase many different gift items and accessories associated with this country.

Epcot Center's World Showcase will be "a permanent international exhibition ... designed to bring together the people of the world in the true 'family of man' spirit ... to provide a unique opportunity for the nations of the world to communicate their culture and heritage, their tourism and trade, their history and dreams." Walt Disney's greatest dream ... Epcot Center. It's based on this philosophy: to provide a forum where people can present new ideas and technology to help both the world's leaders and citizens to better understand the challenges that lie ahead and to discover possible solutions for them.

Our Challenge

It is our goal that each World Showcase pavilion's shops, restaurants, and attractions will be staffed with cast members representative of that country. A special challenge our company is encountering is to identify those cast members familiar with the languages and cultures of any country whose pavilion will open at Epcot Center next October.

To determine how many of you are familiar with these eight countries, the Career Planning & Placement Office is conducting a survey.

... and the Solution is YOU!

Do you speak German or Chinese? Perhaps you were born in the United Kingdom, studied extensively in Italy or lived for a long period of time in Canada. Maybe your family is from France or Mexico or even Japan.

If any of these situations applies to you with any one of the eight countries listed above, please let CPPO know and here's how. To identify yourself, get a copy of next week's **Casting Call** (CPPO's weekly job information newsletter) from your Division Training Office. Just complete the special information and send it via interoffice mail to CPPO. They will then get in touch with you to discuss your degree of familiarization with the particular country.

Completing the information sheet in **Casting Call** is by no means an obligation that you must or will transfer to Epcot Center in 1982. CPPO simply wants to determine the international resources already enlisted in our cast. Please take part in this survey — your cooperation will make the survey results more accurate.

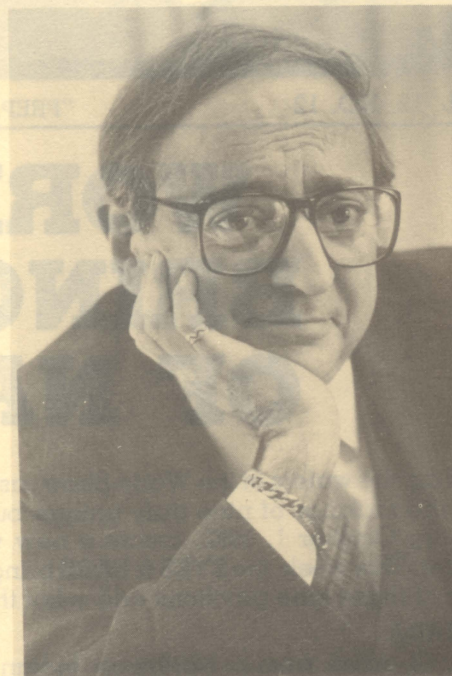

So watch for next week's **Casting Call** and remember ... CPPO wants you!

PRESIDENT OF DISNEY CHANNEL NAMED

Alan Wagner, Vice President/Programs — New York for CBS Television, has been named president of the Disney Channel, a 16-hour-a-day pay cable programming service. He will assume his new position March 21.

During his 21-year career at CBS, Alan was involved in the development of such precedent-setting programming as "The Defenders," "M*A*S*H," and "The Mary Tyler Moore Show."

The channel will begin cablecasting late this year or in early 1983 using two transponders on the Western Union Satellite Westar V, which will be launched this summer.

ADD UP THE ADDYS AND WE'VE GOT EIGHT!

Many WDW artists, writers, and representatives were honored recently by their fellow professionals in the Central Florida area at the Annual Addy Awards. Sponsored by the local chapter of the American Advertising Association, these awards recognize outstanding advertising campaigns and their creators and are very meaningful to the winners because they are selected by others in their professional field.

LAST WEEK FOR ONE-DAY CRUISE DISCOUNTS

Next Monday through Friday, March 22-26, are the last days for you to cruise Scandinavian World Cruises SeaEscape at the WDW cast member discount of only \$25 per person plus \$5 port tax.

To take advantage of this offer, just go to the Port Canaveral pier and show your WDW ID. (You may also take along one guest.) For more information and directions to Port Canaveral, call the Walt Disney Travel Co. at 828-3255. Don't delay ... sail today!

PLEASE NOTE CHANGE AT VILLAGE JAZZ LOUNGE

The Village Jazz Lounge implemented a \$5 cover charge per person beginning March 15 to help defray guest artist entertainment salaries. The cover is in effect Monday through Thursday, 8 p.m. to 1 a.m., and Friday and Saturday, 9 p.m. to 2 a.m. There will be no cover charge on Sunday.

Guests waiting for their dinner table in the Village Restaurant will be exempt from the cover charge by placing their seating card, provided by the receptionist in the restaurant, on their table. The hostess will return for the guests when their table is ready. If the guests choose to return to the Lounge after dinner, he will then pay the "all evening" cover charge.

Please take note of this change and explain it to guests inquiring about the Village Jazz Lounge.

WDW TICKET EXCHANGE

If you missed exchanging your admission tickets and attraction coupons earlier this year, don't despair. Exchange locations will be set up for business on Thursday, March 25, and Friday, March 26, at Cast Activities in The Center. Don't forget this time ... bring in your leftover tickets and trade them in for unlimited passports!

The folks at the Car Care Center remind you that the Easter season is April 4 through 17, and guest attendance at both the Magic Kingdom and the Car Care Center will increase during that time. If your car needs **regular servicing**, please bring it to them before the fourth so you'll avoid the busy period. Of course, the Center's cast members will handle all emergency work you need, but any routine servicing that can be done now would greatly help the Car Care Center better serve our Easter guests. Thanks for your cooperation.

SPRING FLING TICKETS ON SALE

Tickets are now available for April 2nd's Tencennial World Series of Entertainment "Spring Fling" featuring Chuck Berry, Gary "U.S." Bonds, The Association, The Ventures, Rob Grill & the Grass Roots.

WDW cast members may buy tickets for \$9.50 per person at Fantasyland Cash Control, Cast Activities, and the Village Cash Control. Don't wait to get your tickets for this fun-filled evening with this great group of performers in the Magic Kingdom.

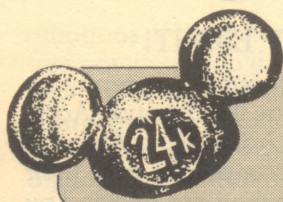

LETTERS TO US

To the WDW cast,

The simple words thank you seem so inadequate to express my feelings. I have been overwhelmed by friendly cards, cheery phone calls, and beautiful flowers. We often get so caught up in our daily job of spreading Pixie Dust that we don't realize how we affect one another. Unfortunately it has taken this type of illness for me to realize just how many friends I have. Someday I will be back to thank you all in person. Until then, please continue to remember me in your prayers.

Helen Hawk

The Village Easter Fashion Show needs models aged 2 to 12 to model spring fashions at the show, scheduled for April 8 through 11. There are two shows each day, and models should be available from 11 a.m. until 2:30 p.m. or from 5 until 7 p.m. Any cast member interested in registering his/her child (aged 2-12) to participate in one or more of these shows please call the Village Office at 828-3998 or stop by the office, located next to the Deli.

MICKEY'S GOLDEN EARS CLUB

WILLIE THOMPSON AND MARILYN BRYANT RETIRE

Two 10-year cast members retired from Walt Disney World Co. this week.

Willie Thompson joined the cast on October 13, 1971, as a Laundry Assistant and later became a lead there. With her new-found free time, Willie plans to move back home to New Smyrna Beach where she'll spend plenty of hours fishing and sewing. Willie noted that one of the bad things about retirement is that she'll miss all of her friends here.

Marilyn Bryant became a cast member on August 30, 1971, in the Contemporary Resort Hotel's Housekeeping Department, after viewing an announcement on television that WDW would be opening in Central Florida shortly. Marilyn has plans to stay at home in Kissimmee for awhile, helping her husband with his stamp collection. She'll also catch up on all the "little things" she's wanted to do for sometime.

Best of luck to you both, Willie and Marilyn. We'll miss you, too.

The benefits to YOU, the rider, are that your car is not collecting as much mileage, your tank of gas lasts longer, your insurance rate may go down, you may not need a second car since your car is now available to other members of your family, you do not have to battle the traffic jams, you can sit back, relax, read a book, catch a nap or make some new friends, and best of all, you will **save money!** If you are spending over \$15 a week to commute to work — you should consider vanpooling!

DIAMOND DUST

Best game of the week occurred in our Tuesday Evening Late League when Oscar Mayer and the Gangsters of Golf met under a full moon, with nine planets all lined up aiming right at them.

The "Hot-dogs" built up a big 12-4 lead after their lick in the top of the fifth, but then something happened ... like Jupiter lined up with Mars, or something, and the Gangsters scored one in the bottom of the fifth to pull up to a 5-12 deficit.

Then in their last turn at bat, the bottom of the seventh, those never-say-die Gangsters blasted over eight big runs, the last two with two men out, to finish the contest and win by a 13-12 count.

VOLLEYBALL VOLLEYS

Action was aplenty at Little Lake Bryan on Tuesday, March 9, as some of the closest matches to date took place. Watercraft and Liberty Tree Tavern continued on their winning ways, as Watercraft took the measure of the Sandspurs by the scores of 15-13 and 15-8, while in the cool (cold!) of the evening, Liberty Tree won over the Wed-Netters by 15-2 and 15-4.

Two matches went the full three games with the Samoan Spikers, a new team in the league, winning over the stubborn Systems team by 14-16, 16-14, and 15-12.

In the other three-game affair, Transportation won over the Sand Sharks 9-15, 15-1, and 15-3. In the other match of the evening, the Big Spenders won over Environmental Protection 15-12 and 15-6.

Standings for the first three weeks of the season are as follows.

	Won	Lost
• Watercraft	3	0
• Liberty Tree Tavern	3	0
• Sandspurs	2	1
• Big Spenders	2	1
• Samoan Spikers	2	1
• Environ. Protection	1	2
• Transportation	1	2
• Wed-Netters	1	2
• Sand Sharks	0	3
• Systems	0	3
